Property Reassessment Data Collection To Begin in the City Limits of Dover

Dover, Del. – Tomorrow, January 14th Reassessment Data Collectors will start property reassessment data collection in the City Limits of Dover. It is anticipated that this area will take eight to ten weeks to complete. As always, residents are welcome to contact Tyler Technologies with any questions.

Tyler Technologies
Kent County Levy Court Building,
555 Bay Road
2nd Floor, Room 222
Dover, DE 19901

By Phone: 302-744-9565

By Email: KentCountyDE@tylertech.com

As a reminder, Data Collectors are NOT required to enter the interior of properties. They will simply ask questions at the door and measure exteriors.

If no one is at the property, the data collector will complete an exterior inspection, including exterior measurements and will estimate the interior using similar properties and/or existing assessment data. Due to security protocols, no assessment brochures will be left at the property, however a data mailer verification document will be mailed, addressed to the property owner. Property inspections will occur between normal business hours, Monday through Friday. Saturday inspections may occur over the duration of the project (as needed).

Data collectors can be identified by their bright yellow "Tyler" vest and Kent County issued photo ID badge, and can also be identified on the Reassessment Section of Kent County Levy Court website at: <https://empower.tylertech.com/rs/015-NUU-525/images/kent-county-data-collectors.pdf>

*Also, a **Reassessment web page** can be easily accessed from the Kent County Levy Court website, www.co.kent.de.us. Just click on the Reassessment link, and click "More Information". There is also a FAQ page that can address many common questions.*
