

# Tyler U Access

To access Tyler U, first register with Tyler Technologies.

## STEP 1: REGISTER

1. Visit Tyler Technologies at [tylertech.com](http://tylertech.com).

2. In the upper right corner, click **REGISTER**. The Support Registration page opens.
3. Select the Tyler product to register for. If you use more than 1 Tyler product, select only 1 of the products. The registration form displays below the product options.
4. Complete the registration form.
5. Click **Register for access to tylertech.com**. You are now registered with Tyler Technologies. You will receive an email confirming your registration and containing your User Name and Password.

---

**NOTE** If your User Name conflicts with an existing user, the confirmation email contains a User Name.

---

## STEP 2: LOG IN

1. Go to [tyleru.com](http://tyleru.com). If you are already logged in to tylertech.com, Tyler U immediately opens. Otherwise, a prompt displays requiring entry of your User Name and Password.

---

**NOTE** The User Name and Password fields may already be populated. If so, just click Login.

---

Welcome to Tyler U!
